Pandemic Mass Guidelines

- Bishop Johnston has dispensed all in the diocese from the obligation to participate at mass.
- If you wish to attend, reserve your place using the online link on the Cathedral website.
- Verify that you have no fever before leaving home.
- Bring a mask, hand sanitizer and a cellular device (for readings, worship aid, and prayers found on the “Today” page)
- Provide an email reservation confirmation, either printed or on a phone, to an usher when you arrive.
- Enter the Cathedral through the main doors wearing a face mask, six feet apart from others.
- Please leave your envelope contribution in the basket at the foot of the altar when you enter the cathedral. You may also make a contribution from your mobile device on the Cathedral website or VENMO us @kcgolddome
- Sit away from other people. Ushers will guide you to a seat.
  - If you came with others in the same car, you may sit close to them in the same pew.
  - You may remove your mask when you get to your pew.
- Give the sign of peace without touching others.
- Put on your mask before coming to communion.
  - Stay in your pew if you are not receiving communion.
  - In the main section of the church, process up the SIDE aisles and return by the center aisle, six feet apart from others.
  - You will receive communion in the hand, not in the mouth.
  - Pull down your mask to place the host in your mouth.
  - We will not offer communion from the chalice.
- At the end of Mass, the ushers will dismiss each row starting from the back of the Cathedral.
- Have a blessed day.
