*Jeremiah 20:10-13*

### An Everlasting Friendship

A broken friendship causes unimaginable pain. Close companionship brings joy to life. With a special few friends we share our inmost thoughts. Deep conversations strengthen the bond of love. But when friendship ends, when trust is broken, when shared experiences lie shattered, the pain is immense.

Jeremiah the prophet endured this awful experience. He knew the fear and loneliness of betrayal. His friends did more than break their relationship. They became Jeremiah's aggressive enemies. They looked for opportunities to denounce him. They sought vengeance against him. They whispered in collusion together.

The prophet overheard the plots, and terror seized his life.

Jeremiah somehow kept his trust in God. He believed that God would overcome these enemies. In desperation, he hoped that the misfortune they wished on him would befall them instead. Jeremiah believed in God's record. In the past, God rescued the poor from the wicked. He assumed that God would now do the same for him.

Human beings fail. Our best efforts may fall short. Our ability to make and sustain friendships may falter. But God's love will never cease. It will provide a sure foundation when the protective walls of friendship crack.

## FACTS ABOUT MENTAL ILLNESS AND HOMELESSNESS

1

### ONE IN FOUR

26% or one in four of people experiencing homelessness in America's shelter system are dealing with a serious mental illness.

2

### A MAJOR CAUSE

The US Conference of Mayors has identified mental illness as being the third leading cause of homelessness in American cities.

3

### LACK OF TREATMENT

At any given time there are more people with chronic mental illnesses who are experiencing homelessness than are receiving care in hospitals.

4

### VICTIMS OF VIOLENCE

People living with mental illnesses are more likely to be the victims of than the perpetrators of violence, and are often victimized multiple times.

5

### HOUSING IS HEALTH CARE

People experiencing homelessness with severe mental illnesses do better when treatment and case management are matched with housing.

## TRUMAN PARTNERSHIP

Two weeks ago MGM significantly strengthened its partnership with Truman Medical Center's Behavior Health division.

Truman now has an office at MGM for a mental health outreach worker **four days each week for 2-3 hours each day**. This is an amazing gift for our guests and has already had profound impacts for several. The guests at MGM really trust us, they feel at home here. And so, because Truman is now a deeper part of us, they are much, much more likely to seek this service while here for breakfast or clothing services.

Eric, pictured below, is our licensed Truman counselor. He has been visiting MGM periodically for a few years, now his office is here. I cannot emphasize how incredible this is and what an impact it will make.

Untreated mental health issues keep people down, in poverty, in homelessness, unemployed.... Treating

mental health means life!

Thank you Truman Medical Center for recognizing the benefit and making a radical change
