Donating Securities and Mutual Funds

Are some of your shares of stock or mutual funds higher than when you bought them? This provides you a wise method of giving to Cathedral of the Immaculate Conception. Donating appreciated stock or mutual fund shares is a strategic gift-planning method. In most cases, the donor receives an itemized deduction in the full amount of the fair market value (FMV) of the shares donated as of the date of the gift. This value is deductible up to 30% of the donor's adjusted gross income and can be carried over for up to five years after the year of the gift. Please consult your financial or legal adviser.

At the Cathedral of the Immaculate Conception Bishop Johnston will bless seeds at the Mass on Thursday, February 4, 12:15 PM. All who plan to use seeds for gardens, fields or in religious formation programs are welcome to bring their seeds for a special blessing during the Mass. The Mass will be live streamed on the Cathedral Facebook page <https://www.facebook.com/golddomekc/>

Third Sunday in Ordinary Time

1 Corinthians 7:29–31

Waiting for the End

St. Paul was wrong about one thing. He thought the world was coming to an end rather quickly. It's nearly 2,000 years later, and we're still waiting.

But he was right about this: A good Christian lives as if the end were coming soon. We should live every day as if it were our last, ready to greet Christ when he comes again. After all, we don't really know when that might be.

Paul's advice sounds a little odd: If you're married, act like you're not. If you're crying, don't. If you're rejoicing, stop. On the surface it doesn't make much sense. But Paul's point is that we should have other concerns. "The world in its present form is passing away." So don't put all your time, effort, and emotions into it. Think about the things of the next world. Do the things that will please God.

In truth, most of us act as though we'll live forever. We buy and hoard. We roam from one emotional relationship to another. Paul would have us settle our hearts on other things. Make the world more livable for someone else.

As we wait for the end, we take the world in stride. So what if the weather is bad, the car won't start, or the kid next door dyed his hair green? The world in its present form is passing away.

Loving & Serving the Homeless of Kansas City

OUT OF THE COLD

There is a new cold-weather shelter in downtown for the homeless. Named after Scott Eicke, one of those who froze to death a couple weeks ago, the shelter is a community center owned by the City of KCMO.

It will be open when the temp drops to 32 degrees. On Friday night, MGM delivered several sleeping mats, sleeping bags, and other essential items to help the shelter start off right.

Other than the two main shelters in town, City Union Mission and ShelterKC, there is also the KC Dram Center in KCK, 1500 Central Avenue, open when the temp drops to 20 degrees.

UP & RUNNING—FINALLY

We are so very grateful for Mike Bessler, owner of Mike's Electric. For the past 30 months we have been putting off running additional 220 power to the MGM kitchen because the estimates were as high as \$15,000. Mike stepped up. He donated ALL of his time and with Rick Schwinn donated ALL the equipment. Now, finally, we can use the double convection oven that has been sitting in our kitchen for almost three years unused. The convection oven was donated by the Miller Family Foundation; they were pleased to receive my call that the oven is now operational.

If you have electrical needs, don't hesitate to call on this great guy and tell him thanks for his work at MGM **816.423.3037** or email **mikeselectric3037@gmail.com**
