Second Sunday of Lent

Romans 8:31b-34

Our Fan Club

Cheering helps. Can you imagine a basketball game where no one cheered? Imagine the stands full of fans who observed the game with the intensity of interns watching surgery. Imagine no one applauding or yelling—people just watching, like analysts, as the game unfolded below.

It would be dispiriting to the players. They wouldn't do their best. A little cheering helps. A lot of cheering helps even more.

Lent puts us into a contest against our sins. For six weeks we accept a spiritual regimen of prayer, fasting, and almsgiving. It's a hard contest. It would be nice if someone cheered us on.

Well, someone is cheering. God is our fan club. God has already taken extraordinary measures to help save us. Paul writes to the Romans, "God did not spare his own Son but handed him over for us all." Since God has already given us Jesus, the greatest possible gift, "How will he not also give us everything else along with him?" God wants us to win our fight against sin.

God is our fan club. Do you sometimes feel as though you cannot overcome your bad habits? Can you not forgive yourself for a sin long past? Are you lost when you try to pray? Do you look to the future with despair? God is cheering you on. And, "If God is for us, who can be against us?"

Loving & Serving the Homeless of Kansas City

HAND IN HAND

MGM would be hard pressed to serve meals six days each week if it were not for our core partner Harvesters Community Food Network.

Part of the Harvesters Board volunteered to serve last Saturday and learn more about our ministry.

In 2020, Harvesters helped provide 1,624,582 meals in Jackson County, including providing Morning Glory with close to 20,000 pounds of food.

Harvesters message to MGM from their 2020 Impact Report:

“Harvesters wants to thank you for changing lives for the better. We truly needed your help during this past year of challenges, and you came through for your neighbors. You brought countless children, families and seniors the hope of another meal — and a brighter future.

Thank you sincerely for your partnership in this important work. We look forward to continuing to serve our agency network as we move toward recovery.

We’re all looking forward to better days because people like you care so much! We value your partnership as we work together to meet the great need for food assistance that you, your staff and volunteers see every day.”
