Third Sunday of Lent (Year A)

Exodus 17:3-7

Water in the Desert

In the desert of our lives there are plenty of complaints. Bills are too high. Friends are too few. Health is too frail. Faith is too weak. In the desert of our lives there is plenty of blame. Our leaders are unconcerned. Children are too demanding. Society is sinful. Life is not fair.

In the desert, the people of Israel grumble against Moses. They have too little water, and they are blaming Moses. Moses blames God and asks for some divine intervention.

God promises Moses, "I will stand in front of you on the rock."

Moses strikes that rock, and water gushes forth.

Life brings its share of struggle. We sometimes rebel against the very place where God has invited us to be. We forget that God has given us life, has entered into covenant with us, and stands ever before us. So we complain. We may not realize that we are standing right at the water for which we thirst.

The discomforts of your life will not be hard to name. Have you brought some of them on yourself? Has God placed some of them in your path? Do you trust that God stands with you, water at the ready? From where will that water come?

Loving & Serving the Homeless of Kansas City

PRAYER ALONG W/ SACRIFICE

Thanks to all who made and donated rosaries over the past couple weeks. Our guests had been asking for these and now we have plenty to make it to summer! Vernell was very happy to receive his.

Thanks also to those who came over for the blood drive and to our Knights of Columbus for sponsoring the drive. Pictured is Lynne doing her part.

TIME FOR GALOSHES?

As you can tell from these pictures, the plumbing system at MGM is showing its age! We did have one burst pipe during those cold days, but we caught it right away and did not have to close. These pics, though, are not from the freeze, they are pics of the pipes behind the bathroom walls, discovered while trying to fix a toilet leak. We still have enough toilets and sinks in working order, and thankfully our kitchen plumbing works well still, but we will need to address this need in the near future.
