Fifth Sunday of Easter

1 John 3:18–24

Simple Laws

There are a lot of laws. Our national Constitution is long. Every state, county and municipality has additional rules and regulations. Sometimes you don't know what a law is until you break it. Laws are important. They are necessary. But they are so numerous that it's hard to keep track of them all.

Our church is the same way. Our laws are important to us, but they are numerous. And they change. It is hard to keep up with them. Couldn't it be simpler somehow?

The First Letter of John says God basically has just two laws. "His commandment is this: we should believe in the name of his Son, Jesus Christ, and love one another just as he commanded us."

There, that was simple. Or was it?

To believe in the name of Jesus means that we order our lives around this belief: He is the Son of God, the one who came to save the world. His teaching, ministry, and example should shape everything we do. And love one another? Well, that's easy when it comes to people we like. But it's not so easy with people we'd rather ignore or people who have become our criminal enemies. Loving one another is not so simple.

Whether the laws are many or few, they are hard to keep. But those who keep God's commandments "remain in him, and he in them."

Loving & Serving the Homeless of Kansas City

PAINFUL LOSS

The community of KC's homeless persons and service agencies has been in shock and mourning after the unexpected passing of Jae Edgar Bennett, the Director of Street Medicine KC. Jae was a strong partner of MGM and led medical clinics on Saturdays from MGM where for months we converted our offices each week for use by his doctors, nurses, and mental health specialists. Jae and his team provided their medical ministry on the streets and in the camps as well, and recently Street Medicine moved into a permanent space at 8th & Paseo. Jae helped to get many, many of our guests off the streets

of KC. His work, personality, energy, and idealism are sorely missed. Jae grew up Catholic and our Cathedral was honored to host his funeral. Memorial donations are being accepted for his young daughter's education fund.

NEW PARTNER—*This was the original announcement of our partnership with Jae & Street Medicine, 01/20/20*

Street Medicine KC is now coming to MGM every Saturday during lunch to provide medical services and mental health screenings. Jae Bennett and his crew of doctors, nurses, nurse practitioners, social workers, mental health specialists, and volunteers help to evaluate guest needs and provide not only for physical and mental health needs but also connections to housing, disabilities assistance, and other needs. Several guests each week have their lives changed by Street Medicine KC. Follow their good work at: www.streetmedicinkc.org.
