

*To the Trinity be praise!  
God is music,  
God is life that nurtures  
every creature in its kind.  
Our God is the song of the angel throng  
and the splendor of secret ways  
hid from humankind,  
But God our life is the life of all.  
  
Saint Hildegard of Bingen*

## Cathedral Arts

"Concerts in Churches are desirable manifestations of the sacredness of art, the evangelical mission of the Church, and an exemplary form of outreach to the community.

In addition to the great corpus of musical literature for liturgical use, there has also been created a unique repertoire which requires the ambience of the sacred space and which is rarely effective in the concert hall: cantatas, oratorios, passion settings, concerti "da chiesa," liturgical music-dramas, and the vast storehouse of Pipe Organ literature."
