# ★ Cathedral Parking

Cathedral Parking Barcode  
February

21228 EXPIRES 2/28/2023

1. Starting February 1, 2023 free parking will be available in the parking garage east of Broadway at 12th Street. You will need a barcode to exit. The barcode will be distributed in person when you visit the Cathedral and will also be available on the Cathedral Website. The barcode will change every month.
- 2.. Attendees can pull out a parking ticket any time to get into the garage when the gates are down. Then you need to use the barcode to get out. The machine will display instructions:scan the barcode first, then insert the original ticket. If you display the code on your phone, it should let you out. If you try to print it out in advance, please make sure you are using a high resolution printer, like a laser jet.
3. The bar codes can be used as many times as needed during the month, so pick up a code at the first service you attend. Then hang on to that code for the rest of the month and you won't have to get replacements. When you get the code for the next month, dispose of the old one. However, replacements are available online and at the Cathedral.
4. On high activity Bartle Hall Event days when MidCon staffs the garage entries, you need only tell the attendant that you are there for a church service and you will be let in free.
5. If the garage fills up, you will be directed to the Ten Central Garage at 10th & Broadway where you will also be allowed to park for free.

All young  
adults are  
invited to

## Making Choices

Sixth Sunday in Ordinary Time  
Sirach 15:15-20

You have probably said this before: “I had no choice.” You may have said it about a decision you did not want to make, one that made you unpopular, or one that felt wrong. If you have no choice, you have no blame. We can more easily accept a difficult decision if we feel as though it were the only one.

But we almost always have choices. Some of them are not very good. We reject them without much thinking about them. They are even worse than the choice we make. Or they are more difficult to enact. Our brains process some choices so quickly that it feels right to say, “I had no choice.” But we usually do.

God gives us free will to make choices. “If you choose you can keep the commandments,” says the Book of Sirach. “God has set before you fire and water; to whichever you choose, stretch forth your hand.” Many choices stand before us: “life and death, good and evil.” We get whichever one we choose.

God does not command us to act unjustly. We are free. But our freedom is not a license to sin. Our freedom is the environment in which we make choices. And God is hoping—as each of us hopes—that we will only choose what is good. Some of our choices may feel impossible or uncomfortable, but if we pick the best choice, it is often right.
