★ Cathedral Parking

Cathedral Parking Barcode
April

41430 EXPIRES 4/30/2023.

1. Free parking is available in the parking garage east of Broadway at 12th Street. You need a barcode to exit. The barcode will be distributed in person when you visit the Cathedral and will also be available on the Cathedral Website. The barcode will change every month.

2.. Attendees can pull out a parking ticket any time to get into the garage when the gates are down. Then you need to use the barcode to get out. The machine will display instructions: scan the barcode first, then insert the original ticket. If you display the code on your phone, it should let you out. If you try to print it out in advance, please make sure you are using a high resolution printer, like a laser jet.

3. The bar codes can be used as many times as needed during the month, so pick up a code at the first service you attend. Then hang on to that code for the rest of the month and you won't have to get replacements. When you get the code for the next month, dispose of the old one. However, replacements are available online and at the Cathedral.

4. On high activity Bartle Hall Event days when MidCon staffs the garage entries, you need only tell the attendant that you are there for a church service and you will be let in free.

5. If the garage fills up, you will be directed to the Ten Central Garage at 10th & Broadway where you will also be allowed to park for free.

The Easter Message

Third Sunday of Easter
Acts 2:14, 22–23

Christian parents have the joy of teaching the faith to their children. When they do so, they tell the story in its simplest terms. Jesus came from God. He performed many miracles. His enemies put him to death on a cross. God raised him up again. These are the core elements of the story of Jesus. When parents tell them, they renew their own faith.

On the first Pentecost Sunday, Peter found himself in a situation that called for the core message. He stood up in Jerusalem before a group of his peers and preached. What could he say? He just told the basics. Jesus came with a mission and he rose from the dead.

Some people are afraid they do not know enough about their faith to teach others. They shy away from volunteering. Yet the core message of our belief is contained in the creed we know so well and recite so regularly. And if the faith has truly taken firm hold of our hearts, we will be unable to keep quiet about its message.

Christian parents do this best, but we are called in many ways to proclaim the simple message and core belief: Jesus came from God, and he is risen!

Help to Sponsor Role Models for the Children in St. Agatha Parish, Uganda

[Father Aloysius YouTube Video](#)

From a bush school, these young people have made it to university. In my parish we have a program helping needy children get educated and become responsible people. Some of them take education lightly, others work hard and become successful. Among these are two young adults who have completed their Bachelor's Degree in Chemical Engineering.

They would like to embark on a Masters degree in Pharmaceutical Engineering but unfortunately, there is no university in Uganda which offers this course at Master's Degree level. These college students have secured places in universities in Germany and Austria but we do not have the funds to send them there. The course takes two years. The total cost per year is about \$12,000 per student. For the two students we need \$24,000 per year.

Please help these young people to achieve their goal so that they can go back to their country to help their people. Thank you for your generosity.

Happenings & Opportunities Throughout the Diocese

In Matthew 16:17, Jesus tells Peter that he is the rock upon which the Church will be built. Just so, a husband and wife, united in the bond of marriage, are to be the rock upon which the “domestic church” is built, living in imitation of the Holy Family. Such a profound calling deserves our best efforts. A Worldwide Marriage Experience will provide you with the inspiration and the tools to live out that call daily. Spots are available on the following upcoming dates: April 28-30 and July 14-16, 2023, in Kansas City, KS. For more information, visit the website at www.WWME.org or contact Brad & Maggie Harris at 405-206-1600, or email at Brad.Maggie.Harris@wwme.org.
