## [Parking Barcode for December](#)

1211231 EXPIRES 12/31/2023.

1. **Free parking** is available in the **parking garage east of Broadway on 12th Street**. *You will need a barcode to exit.* The [barcode](#) will be distributed when you visit the Cathedral and is also available on the [Cathedral Website](#). The barcode *will change every month*.
2. Attendees can pull out a parking ticket any time to get into the garage when the gates are down. Then you need to use the barcode to get out. The machine will display instructions: scan the barcode first, then insert the original ticket. If you display the code on your phone, it should let you out. If you try to print the barcode out in advance, please make sure you are using a high resolution printer, like a laser jet. It would be best to print the barcode on heavy stock paper.
3. The barcode can be used **as many times as needed during the month**, so pick up a code at the first service you attend. Then hang on to that code for the rest of the month. When you get the new code for the next month, dispose of the old one. Replacements are available [online](#) and at the Cathedral.
4. On high activity Bartle Hall Event days when MidCon staffs the garage entries, tell the attendant that you are there for a church event and you will be let in free.
5. If the garage fills up, you will be directed to the [Ten Central Garage at 10<sup>th</sup> & Broadway](#) where you will also be allowed to [park for free](#).
6. If **riding a bike**, racks will be available soon. For now, please park in the vestibule.

## God Loves a Cheerful Giver—and Receiver

Fourth Sunday of Advent

2 Samuel 7:1–5, 8b–12, 14a, 16

David and God were not exactly equals. David was king, but that still gave him no leverage over God. Even when David wanted to do God a favor, God had complete control over the success of the king's intent.

David had a great idea. He saw how beautiful was the house where he lived and how simple was the cedar house for the ark of God. David wanted to build God a glorious temple. But God said no.

God had other ideas. It was not David's position to provide a home for God. It was God's position to provide a home for David. God gave David more than a home. God promised that David's throne would stand firm forever.

God's promise was fulfilled in two ways. David did not build God a temple, but his son Solomon did. And David's throne would last forever because of a child born into the house and lineage of David, a holy child born in the city of David, Bethlehem.

In preparing for Christmas, you have tried to do God favors through your prayers and your charity toward others. But God is doing you the favor. God gives you the gift of salvation in the mystery of Christmas.

## Year End Giving Options

As 2023 draws to a close, some folks inquire about end of year giving options to the parish. Here are some options may provide personal benefits, in addition to supporting the parish.

**RMD – Required Minimum Distribution (for retirees only)** The IRS does not allow folks to keep funds in retirement accounts indefinitely, without taxing the gains in those accounts. Withdrawn funds are considered ordinary income by the IRS and are taxed at your current income tax rate.

### Qualified Charitable Donation

**QCD** – The Qualified Charitable Donation allows individuals, over 70 ½ years, to withdraw and donate to a charity (from their IRA), and those withdrawals are not counted as ordinary income and are not taxed. A **QCD** may satisfy an individual's **RMD**, thereby avoiding taxes on the IRA withdrawal.

**Example:** John's Required Minimum Distribution this year is \$15,000 from his IRA per IRS guidelines.

- a) John receives the \$15,000 required distribution from his IRA. The \$15,000 is considered as Ordinary Income by the IRS and is taxed according to John's income tax bracket. If John is in a 20% tax bracket, he would owe \$3,000 in ordinary income tax because of this \$15,000 required withdrawal.
  - b) John utilizes the **QCD** – and donates the \$15,000 to the parish from his IRA account. The **Qualified Charitable Donation** of \$15,000 is not ordinary income, resulting in no tax on this IRA withdrawal.
- By utilizing the **QCD**, retirees (over 70 ½) can make charitable donations from an IRA account, and not have to pay income tax on the amount withdrawn/donated.

Under **QCD** guidelines, individuals may donate more than the amount required by the **RMD** (with limitations), as a non-taxable event, so long as the **QCD** comes from an IRA account. Again, the **QCD** is only available to those who have reached 70 ½ years.

### Stock Donations

Donating stock is great way to support the parish and avoid the capital gains tax.

Example: Mike & Kathy bought 100 shares of IBM stock, seven years ago, for \$100 per share (an investment of \$10,000). Their IBM stock is now worth \$200 per share, so the value of their investment has grown to \$20,000. They had been thinking of donating \$20,000 to the parish building fund.

- A) They sell the IBM stock, with the intention of sending the proceeds to the parish.  
**Result:** The sale of the stock produces a \$10,000 capital gain, as they had bought the stock for \$10,000 and sold it for \$20,000. This \$10,000 profit is subject to capital gains tax. If the capital gains tax is 20% – they will owe the IRS \$2,000 ( $\$10,000 \times 20\% = \$2,000$ ) The net result of their stock sale is \$18,000 – reducing the amount they might donate to the parish.
- B) Mike & Kathy donate the IBM stock directly to the parish.  
**Result:** The parish receives and sells the stock for \$20,000.  
Mike & Kathy have no capital gains and therefore no capital gains tax to pay.

**Please speak with your Tax Advisor in considering these types of donations.**
